Section A—Reading Test (Seen passage)

Read the text carefully and answer the questions 1, 2 and 3:—

Nakshi Kantha is a kind of embroidered quilt. The name was taken from the Bengali word, 'naksha' which means artistic pattern. It is a kind of traditional craft and is said to be indigenous to Bangladesh and West Bengal in India. The art has been practised in rural Bengal for centuries. The name 'Nakshi Kantha' became popular after the poet Jasimuddin's poem 'Nakshi Kanthar Math' was published in 1929.

Traditional Kanthas are made for family use. Old or new cloth and thread are used to make these quilts. Mymensingh, Jamalpur, Rajshahi, Faridpur, Bogra and Jessore are most famous for this craft. Now, it is produced commercially. You can find them in many expensive handicraft shops in cities. The quilts are now in great demand because of the colourful patterns and designs embroidered on them.

Reading Test (Unseen passage)

Read the following text carefully and answer the questions no. 4 and 5:—

The greatest dramatist of English literature named Shakespeare was born and died on the same date. It was on the 23rd April, 1564 when he was born at Stratford on Avon. This is why he is called the bird of Avon. He wrote 37 Plays and 154 Sonnets. They spread fame to his unrivalled knowledge of human nature and the sympathy and understanding with which he painted almost every type and class of character.

In the poems the poet's love of nature has found an eloquent expression as has an undertone, his deep concern for the limitations of human society. In the rough weather nature has no particular enmity towards man and it treats all equally.
