My dear Minu

It is long time you didn't write to me. It seems to me you are not willing to write. Listen! Where there is a will, there is a way. Our English teacher told us about this. Now I'll write you about it.

Once a crow got thirsty. It flew from place to place but found no water. Suddenly, it saw a pitcher. But alas! There was a little water at the bottom. It tried again and again to reach water, but failed. It looked around and found pebbles beside the pitcher. Then it dropped the pebbles one by one into the pitcher. And water came up to the mouth of the pitcher. It drank water to its heart's content.

No more today. Convey my salam to your parents.

Yours ever

Tanzim
