My name is Shuvo. I went to a scout jamboree last January. The jamboree took place in Srimangal. From Sylhet we came to Srimangal by train. We started at 7 in the morning and arrived Srimangal at 8. Then we walked to our camp following scout signals. We didn't take any rickshaw. Our team had ten members. I was the youngest member in the team. It was a programme for two days. We had two teachers with us. The first day started with cleaning. In the morning, we cleaned our camp area, arranged the tent and then prepared our own breakfast. After breakfast, we took part in a march-pasta and display. Then we had lunch break. For lunch, our senior brothers cooked rice, dal and chicken. I helped them. In the afternoon, we had a scout class from 2 to 4 p.m. In the evening, we enjoyed a cultural programme. Our team performed a small play.
