

Application for repairing a bridge

14 September 2015

The Chairman,

“X” Union Parishad

Bhaluka, Mymensingh

Sub: Prayer for repairing a bridge

Sir,

We, the inhabitants of “Y” village under your union are suffering a lot because the only bridge over the canal of our village has been greatly damaged due to a recent flood. Students and people of the locality have been suffering greatly for this reason. There is a great possibility of the collapse of the bridge at any time that may cause much danger and suffering to the people around. So the repair of the bridge is urgently required.

We, therefore, pray and hope that you would be kind enough to take steps to repair the bridge very soon.

Yours faithfully,

The villagers of

“Y” village
